# About Us

Simosis has flourished in the global market since its inception in the year 2002. Simosis is dedicated to Agro commodities for the last 22 years & has pioneered diversified agro branches like Grains, Pulses, Oil Seeds, Bird Feed, and Manure seeds.

Simosis has its state of art fully automated processing plant equipped with a colour sortex.

Simosis is a Govt. Recognised Two-Star Export House & has ISO 22000:2005 & an ISO 9001-2008 Certificate, Spice Board, APEDA, FIEO, GPC, SHEFEXIL, FSSAI, IOPEPC certifications.

Simosis has been awarded Export Excellence award for highest export of Safflower Seeds in India for the year 2016-17, 2017-18, 2018-19, 2020-21, 2021-22, 2022-23 & highest export of Sunflower Seed in India for the year 2017-18, 2018-19 & 2020-21 by IOPEPC (Under Ministry of Commerce, Govt. of India) & Export Excellence Award by FIEO for the year 2019-20.

Our vision is to build a world class Agro based company focused in Agro commodities, equipped with the latest technology processing plant. We have always strived to improve our quality standards with hard work, dedication and commitment, with company's motto of:

**"Natural Products in their Purest Form"**

# Infrastructure

Simosis International has established a state of art fully automated Processing plant equipped with a colour sortex at Uran, Navi Mumbai. We have a well equipped in-house Laboratory for the highest level of quality control.
